

Dear Miss Michelle,

As the end of the year is approaching, we Mattéo's parents taking the advantage of expressing our gratitude towards your great achievements that has been reflected a great deal in our son's education developpement and evolution.

In a couple of months we have realised a big difference in his behavior and performance by spelling his name, counting all the numbers, the alphabets, the months of the year, the days of the week, writing his name ----- easily and with self confidence.

Thank you very much for everything.
