

Dear Miss Michelle,

We would like to express our sincerest gratitude for all the efforts you've been doing since you came.

From day one, Salma has enjoyed each & every class of yours. She is now more assertive & her English is noticeably improving every day.

We highly appreciate your special way of teaching which made Salma love going to the nursery every day even on week ends.

We thank you again for all the wonderful work you are doing & wish you all the best for your future endeavors.

Kind Regards  
Salma's Parents
